

# NACIONAL 27

Latin-inspired flavors from 27 countries

## BRAZILIAN CHURRASCARIA

For years the people of South America and Brazil have been gathering together over the open flames of a churrascaria to bbq meats, pork, sausage and chicken. They come together not just to feast, but to share with each other, celebrate, and unwind from the day. There's nothing like a great Churrasco feast to bring everyone together, feed the body, and feed the soul.

### TO START

WARM TORTILLA CHIPS, GUACAMOLE, TWO SALSAS
